ORGANIC BIOSTIMULANT

BASSO™

GUARANTEED CONTENT W/W

- Total Organic Matter 38%
- Organic Carbon 18%
- Organic Nitrogen 1.9%
- Water Soluble Potassium Oxide (K2O) 1%
- pH 4-6

BASSO is a product formulated with organic substances extracted from specially selected plants.

BASSO is rich in organic matter and essential minerals provided by the concentration of herbal extracts that deliver all the necessary nutritional needs for strong, healthy plants and positive yields.

BASSO is formulated with a plant based, natural-additive biostimulant that includes nitrogen, potassium, specialty compounds, vitamins, proteins, betains and amino acids.

BASSO's plant based nitrogen can be beneficial towards protecting plants against frost and hail damage and provides resistance to most plant stresses and diseases.

BASSO is highly effective where rapid absorption is required.

BASSO's primary function is to condition soil for pre-planting by balancing the soil structure and providing maximum bio-food that accelerates plant metabolism, improving soil structure and uptake for stronger root development.

FACT SHEET

FERTILIREY SERIES

AT A GLANCE

FOLIAR APPLICATION:

Citrus
100-140 ml/tree
4-8 applications before bud formation and during all production period.

Fruit Trees
100-160 ml/tree
