

**NON SULFUR
WATER SOLUBLE
POTASSIUM OXIDE**

KATON PLUS™ PREMIUM K₂O

KATON PLUS™

GUARANTEED CONTENT W/W

WATER SOLUBLE POTASSIUM OXIDE (K₂O) 28%

Katon Plus is a unique high quality source of available potassium for the most efficient plant uptake. Potassium is directly responsible for the onset of the enzymatic reaction that allows ripening in the plant.

Katon Plus increases the quality of fruit, the amount of sugar, coloring, ripening, fruit density and shelf life.

Katon Plus when used as recommended will strengthen the plant's natural defense mechanism against stress conditions (extreme climatic conditions, salinity, drought, etc.) where potassium intake is difficult by the plant.

Karon Plus does not contain sulfur.

FACT SHEET

FERTILIREY SERIES

AT A GLANCE

FOLIAR APPLICATION:

Open field vegetables
200-250 ml/100Lt.

Greenhouse vegetables
200-250 ml/100Lt.
